ILLINOIS HONORS

Merl Welch

Green Ridge Shorthorn Farm

Mt. Pulaski, Illinois

Each year the Illinois Association honors one of its members as Man of the Year. Certainly no one is more deserving of that title than Merl Welch. Although extremely busy in the grain business, no distance or time is too great for Merl to pursue his goal of producing the world's greatest Shorthorn and Polled Shorthorn cattle. He has been a leader in bringing the dual influence into the breed and its success was evident at the First Green Ridge Production Sale, September, 1976, which averaged \$1,080. The entire Welch family is involved in the Shorthorn business and the breed is better for it. Congratulations, Merl!!!

The Illinois State Sale last year was the best in the country. The consignors have definitely exceeded the quality of that sale this year. They have especially held their very best for this sale. There are cattle in this catalog that can write breed history. The bulls are without a doubt the best group ever offered in a State Sale anywhere. As you study this catalog, note the outstanding service sires on the females.

This is a big weekend for the breed! The Congress in Louisville and the Illinois Spring State Sale in Macomb give you the opportunity to select from one hundred fifty of the best the breed has ever offered. Every effort will be made to make your attendance at this sale easy. If you need assistance with rooms, travel or absentee representation, please contact my office.

I look forward to seeing you in Macomb!

Sincerely,

CAGWIN CATTLE SERVICES, INC.
